

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 9363  
OFFERED BY MR. FOSTER OF ILLINOIS**

Page 7, beginning line 21, insert the following:

1                   “(ii) The testing and evaluation of ar-  
2                   tificial intelligence systems, including cov-  
3                   ered artificial intelligence systems, which  
4                   can interact with their environment, re-  
5                   ceive information, and undertake self-di-  
6                   rected actions in service of a goal specified  
7                   by the user.”.
