

AMENDMENT TO H.R. 2096
OFFERED BY MR. WU OF OREGON

Page 27, after line 7, insert the following new section (and redesignate the subsequent sections accordingly):

1 SEC. 203. CYBERSECURITY STANDARDS COLLABORATION.

2 (a) IN GENERAL.—The Director is authorized to con-
3 vene representatives of the private sector and other rel-
4 evant stakeholders, including consumer groups, to collabo-
5 rate on the development of consensus standards, guide-
6 lines, best practices, and voluntary codes of conduct re-
7 lated to information technology security for use by private
8 sector entities that provide the following functions and
9 services:

10 (1) Provision of information services and con-
11 tent.

12 (2) Facilitation of the wide variety of trans-
13 actional services available through the Internet as an
14 intermediary.

15 (3) Storage and hosting of publicly accessible
16 content.

1 (4) Support of users' access to content or trans-
2 action activities, including application, browser, so-
3 cial network, and search providers.

4 (b) COORDINATION.—In carrying out the activities
5 described in subsection (a), the Director shall coordinate
6 with other relevant Federal agencies.
