The Honorable Eddie Bernice Johnson
Ranking Member, House Committee on Science, Space and Technology
394 Ford House Office Building

Dear Chairman Smith and Ranking Member Johnson:

I am writing in support of the Committee on Science, Space and Technology's markup of the American Space Commerce Free Enterprise Act (ASCFEA), as introduced by Chairman Smith, Chairman Babin, and Representative Bridenstine. This legislation clearly reflects the Committee's continued bipartisan support for America's commercial space industry. I endorse it being reported favorably to the House of Representatives for further consideration.

Very Respectfully,
