

Rep. Bowman and Rep. Norcross Amendment

H.R. 144

Page 2, line 15: insert 2 new subsections

“(b) OUTREACH.—The Director shall ensure program outreach to recruit fellowship applicants from all regions of the country, from historically underrepresented populations in STEM, and who graduate from or intend to carry out their research at a variety of institution types, including Historically Black Colleges and Universities, Hispanic-Serving Institutions, Tribal Colleges and Universities and institutions of higher education that are not among the top 50 institutions in annual Federal funding for research.

(c) SPECIAL CONSIDERATION.—The Director shall give special consideration to an application from an individual who graduated from or is intending to carry out their research at an institution of the type listed in subsection (b).”
